

April 2015

Dear Students and Parents,

I would like to offer the opportunity for students to participate in an enrichment class that will be offered on Fridays during lunch/recess in April and May. I will be working with students to learn the basics of acoustic guitar. Each child will be provided a guitar to check out for the duration of the class. They will be able to bring their lunch to my classroom to eat first and then jam for about 20 minutes. This class is intended for students who have never played the guitar before. First preference will be given to students who were not able to participate in the Little Kids Rock enrichment before school last year, but open to previous students as space allows. Due to space and number of instruments, I will have to limit the class to 10 students. If there is more interest, student names will be placed in a lottery.

Dates will be: *April 17 & 24 and May 1 & 8 from 12:45-1:30 in Mrs. Bean's room*

Both students and parents have responsibility in this class. Each student will receive a guitar and a case to borrow. There is no cost for borrowing the guitar, but students and parents will be responsible for keeping the guitar safe, bringing it on Friday, and returning it at the end of class. **THE REPLACEMENT COST FOR A DAMAGED OR LOST INSTRUMENT IS \$75.00 AND PARENTS/GUARDIANS ARE RESPONSIBLE FOR THIS COST.**

Students are also expected to practice for 10-20 minutes each night. More practice means more progress, it also makes class much more fun! You will be amazed how much you can learn if you practice!

If you are interested, fill out the form below and return to Mrs. Bean by **April 9**.
